Dear Susquehanna Township Elementary School Parents and Guardians,

As a result of the ongoing COVID-19 pandemic, the Susquehanna Township School District (STSD) will be offering an EXTENDED SUMMER LEARNING PROGRAM called the Summer Semester. The program will run from June 21st to July 29th, Monday through Thursday, from 8:00 a.m. to 1:00 p.m. The purpose of the Summer Semester is to provide students with additional instructional and support in reading and math. This is a wonderful opportunity for your child to continue instruction that will prepare him or her for the upcoming school year, 2021-2022. STEM (Science–Technology–Engineering–Mathematics), Arts, and Physical Activity times are also a part of the program. Breakfast and lunch will be served daily.

All classes will be held at Sara Lindemuth / Anna Carter Primary School (1201 North Progress Avenue). Tuition is free and bus transportation is provided if requested. Students are welcome to bring a water bottle. A snack will be provided each day.

To ensure adequate planning time for facilities, staffing, and transportation, **REGISTRATION WILL CLOSE ON FRIDAY, May 14th @ 11:59 p.m.**

We highly recommend your child take advantage of this program. To register your child for the Summer Semester, [CLICK HERE](#) to access the registration form.
