Dear Susquehanna Township High School (STHS) Parents and Guardians,

As a result of the ongoing COVID-19 pandemic, STSD will be offering a VIRTUAL Hanna Cyber Academy (HCA) opportunity for students in grades 9-11. All learners will be enrolled in HCA online classes assigned to either a Susquehanna Township School District (STSD) teacher or HCA online teacher. The program will run from June 21st to July 29th.

The Summer Semester will allow students to take up to 2 online courses for **Auditing** purposes or **Acceleration**. Furthermore, Summer Semester is not taking the place of **Summer School (SS)** or **Extended School Year (ESY)**. SS is for students who fail two (2) or more credited courses. ESY is for Individual Education Program (IEP) students (K-11) whose IEP team determined that additional weeks of instruction are necessary.

Therefore, high school parents will find their children taking summer classes for one of these reasons:

- **Audit** - Students who would like to get additional exposure to a course they took during the 20-21 school year (Not Graded).
- **Acceleration** - Students who would like to take a class they have not taken to get ahead in graduation credits (Graded).

Please fill out a form for each child in your household.

- **ESY** - Parents of students who qualified for ESY have already received notification from our Student Services Department. Please be sure to complete your letter of intent to attend ESY.
- **Credit Recovery** - Parents of these students will receive a future correspondence from the High School Administration informing them of their child's **SS** status and the registration procedures.

We thank you for your continued patience and support.
Please reach out to us if you have any specific questions.

In partnership,
STHS Administration
