May 3, 2021

Dear Susquehanna Township Middle School (STMS) Parents and Guardians,

The Susquehanna Township School District (STSD) will be offering an **In-Person and Virtual EXTENDED SUMMER LEARNING PROGRAM** for learners in grades 6-8 called the Summer Semester. The program will run from June 21st to July 29th.

**All Middle School learners** will be afforded the opportunity to sign up for In-person (on site) and/or All Remote Access (ARA) course offerings designed by our own STMS teachers. These courses will be offered on different dates and times throughout the Summer Semester. A list of these courses, including a description, is included on the registration form. Some classes are All in School (AIS) in-person only at the Middle School, some classes are ARA only, and some classes are both AIS and ARA.

Grade 8 learners can also take up to **two (2)** Susquehanna Township High School (STHS) **ONLINE courses** for (a) **Auditing** purposes (learners who would like to get additional exposure to a course they took during the 20-21 school year - **credit not awarded**) or (b) **Acceleration** (learners who would like to take a class they have not taken to get ahead in graduation credits - **credit awarded**). Earning the credit will allow learners to free up next year's schedule to take other major and/or elective courses. These classes will be assigned to either a STSD teacher-of-record or a Hanna Cyber Academy (HCA) online teacher.

If your eighth grader has a STSD teacher-of record as the facilitator for the course, then drop-in appointment times will be provided in advance of the start date. Teachers-of-record may use Microsoft Teams to host synchronous opportunities for whole group or small group instruction. Teachers-of-record will record any whole group sessions for learners who may not be able to attend the LIVE session.

Both opportunities above are open to all regular education learners, including special education learners not participating in the Extended School Year (ESY) program. ESY is for Individual Education Program (IEP) learners (K-11) whose IEP team determines that additional weeks of instruction are necessary.

We thank you for your continued patience and support.  
Please reach out to us if you have any specific questions.

In partnership,

STMS Administration

**Tamara Willis, Ph.D.** | Superintendent of Schools  
**Richard R. Kaskey Ed.D.** | Assistant Superintendent
