*This resource draws on a resource created by the Council of Chief State School Officers (CCSSO) that is based on official guidance from multiple sources to include: the Centers for Disease Control and Prevention, the White House, American Academy of Pediatrics, Learning Policy Institute, American Enterprise Institute, Rutgers Graduate School of Education, the World Health Organization, the Office of the Prime Minister of Norway as well as the departments of education/health and/or offices of the governor for Idaho, Montana, New York, Texas and Washington, DC.*

# Health and Safety Plan: Susquehanna Township School District

All decision-makers should be mindful that as long as there are cases of COVID-19 in the community, there are no strategies that can completely eliminate transmission risk within a school population. The goal is to keep transmission as low as possible to safely continue school activities. All school activities must be informed by [Governor Wolf's Process to Reopen Pennsylvania](#). The administration has categorized reopening into three broad phases: red, yellow, or green. These designations signal how counties and/or regions may begin easing some restrictions on school, work, congregate settings, and social interactions:

- The Red Phase: Schools remain closed for in-person instruction and all instruction must be provided via remote learning, whether using digital or non-digital platforms. Provisions for student services such as school meal programs should continue. Large gatherings are prohibited.
- The Yellow Phase and Green Phase: Schools may provide in-person instruction after developing a written Health and Safety Plan, to be approved by the local governing body (e.g. board of directors/trustees) and posted on the school entity's publicly available website.

Based on your county's current designation (i.e., red, yellow, green) and the best interests of your local community, indicate which type of reopening your LEA has selected by checking the appropriate box in row three of the table below. Use the remainder of the template to document your LEA's plan to bring back students and staff, how you will communicate the type of reopening with stakeholders in your community, and the process for continued monitoring of local health data to assess implications for school operations and potential adjustments throughout the school year.

Depending upon the public health conditions in any county within the Commonwealth, there could be additional actions, orders, or guidance provided by the Pennsylvania Department of Education (PDE) and/or the Pennsylvania Department of Health (PA DOH) designating the county as being in the red, yellow, or green phase. Some counties may not experience a straight path from a red designation, to a yellow, and then a green designation. Instead, cycling back and forth between less restrictive to more restrictive designations may occur as public health indicators improve or worsen. This means that your school entity should account for changing conditions in your local Health and Safety Plan to ensure fluid transition from more to less restrictive conditions in each of the phase requirements as needed.

## Type of Reopening

### Key Questions

- How do you plan to bring students and staff back to physical school buildings, particularly if you still need social distancing in place?
- How did you engage stakeholders in the type of re-opening your school entity selected?
- How will you communicate your plan to your local community?
- Once you reopen, what will the decision-making process look like to prompt a school closure or other significant modification to operations?

### Based on your county's current designation and local community needs, which type of reopening has your school entity selected?

- Total reopen for all students and staff (but some students/families opt for distance learning out of safety/health concern).
- Scaffolded reopening: Some students are engaged in in-person learning, while others are distance learning (i.e., some grade levels in-person, other grade levels remote learning).
- Blended reopening that balances in-person learning and remote learning for all students (i.e., alternating days or weeks).
- Total remote learning for all students. (Plan should reflect future action steps to be implemented and conditions that would prompt the decision as to when schools will re-open for in-person learning).

**Anticipated launch date for in-person learning (i.e., start of blended, scaffolded, or total reopening):** September 8, 2020

## Pandemic Team

**Pandemic Coordinator:** Takia Colston-Krow, Safety & Security Coordinator

### Roles and Responsibilities

- **Health and Safety Plan Development:** Individual will play a role in drafting the enclosed Health and Safety Plan;
- **Pandemic Crisis Response Team:** Individual will play a role in within-year decision making regarding response efforts in the event of a confirmed positive case or exposure among staff and students; or
- **Both (Plan Development and Response Team):** Individual will play a role in drafting the plan and within-year decision making regarding response efforts in the event of a confirmed positive case.

Individual(s)	Stakeholder Group Represented	Pandemic Team Roles and Responsibilities (Options Above)
Tamara Willis	Superintendent	Both
Richard Kaskey	Assistant Superintendent	Both
Jesse Gantt	School Board Member	Both
Barry Seilhamer	Director of Operations & Maintenance	Both
Mark Holman	Director of Human Resources	Both
Justin Green	Director of Technology	Both
Dyana Cooper	Registrar & Transportation Specialist	Both
Carrie Martin	Supervisor of Special Education	Both
Pat Raugh	Supervisor of Curriculum & Instruction	Both
Jackie McMichael	Director of Food Services	Both
Oslwen Anderson	Business Manager	Both
Glenn Zimmerman	Supervisor of Buildings & Grounds	Both

<b>Jennifer Halfond</b>	<b>Nursing Department Coordinator</b>	<b>Both</b>
<b>Michael Cordas</b>	<b>District/UPMC Physician</b>	<b>Both</b>
<b>Steven Collina</b>	<b>UPMC Physician</b>	<b>Both</b>
<b>Cecelia Pharris</b>	<b>STSD School Social Worker</b>	<b>Both</b>
<b>Jill Debrosse</b>	<b>SLAC School Counselor</b>	<b>Plan Development</b>
<b>Kaila Mitchell</b>	<b>STHS School Counselor</b>	<b>Plan Development</b>
<b>Denise Short</b>	<b>STMS School Counselor</b>	<b>Plan Development</b>
<b>Robin Harris</b>	<b>TWH School Counselor</b>	<b>Plan Development</b>
<b>Jeff Engle</b>	<b>Shaffer Engle Law Offices</b>	<b>Plan Development</b>
<b>Theresa Bowley</b>	<b>STEА Representative</b>	<b>Plan Development</b>
<b>Desiree Weaver</b>	<b>STEА Representative</b>	<b>Plan Development</b>
<b>Megan Krot</b>	<b>STEА Representative</b>	<b>Plan Development</b>
<b>Hannah Sprengle</b>	<b>STEА Representative</b>	<b>Plan Development</b>

## Cleaning, Sanitizing, Disinfecting and Ventilation

### Key Questions

- How will you ensure the building is cleaned and ready to safely welcome staff and students?
- How often will you implement cleaning, sanitation, disinfecting, and ventilation protocols/procedures to maintain staff and student safety?
- What protocols will you put in place to clean and disinfect throughout an individual school day?

- Which stakeholders will be trained on cleaning, sanitizing, disinfecting, and ventilation protocols? When and how will the training be provided? How will preparedness to implement as a result of the training be measured?

**Summary of Responses to Key Questions:**

Requirements	Action Steps under Yellow Phase (Moderate/Substantial Transmission)	Action Steps under Green Phase (Low Transmission)	Lead Individual and Position	Materials, Resources, and or Supports Needed	PD Required (Y/N)
* Cleaning, sanitizing, disinfecting, and ventilating learning spaces, surfaces, and any other areas used by students (i.e., restrooms, drinking fountains, hallways, and transportation)	<p>Increased use of Personal Protective Equipment (PPE) required (masks, gloves, face-shields)</p> <p>Increased Social Distancing &amp; Hygiene Practices</p> <p>The district will follow the Centers for Disease Control’s (CDC) Guidance for Cleaning &amp; Disinfecting Schools</p> <p><a href="#">CDC Guidance for Cleaning and Disinfecting Schools</a></p> <p>Frequently clean and disinfect frequently touched surfaces and objects within the school and on buses, including door handles, sink handles, and drinking fountains.</p> <p>Steps will be taken to reduce the use of communal drinking fountains.</p> <p>Implement and Supervise the Daily and Weekly COVID-19 Cleaning Activities as specified on</p>	<p>Increased use of Personal Protective Equipment (PPE) required (masks, gloves, face-shields)</p> <p>Increased Social Distancing &amp; Hygiene Practices</p> <p>The district will follow the Centers for Disease Control’s (CDC) Guidance for Cleaning &amp; Disinfecting Schools</p> <p><a href="#">CDC Guidance for Cleaning and Disinfecting Schools</a></p> <p>Frequently clean and disinfect frequently touched surfaces and objects within the school and on buses, including door handles, sink handles, and drinking fountains.</p> <p>Steps will be taken to reduce the use of communal drinking fountains.</p> <p>Implement and Supervise the Daily and Weekly COVID-19 Cleaning Activities as specified on</p>	<p>Barry Seilhamer Director of Maintenance &amp; Operations</p> <p>Glenn Zimmerman, Supervisor of Buildings &amp; Grounds</p>	<p>PPE</p> <p>CDC Website</p> <p>COVID-19 Daily Cleaning Checklist</p> <p>COVID-19 Weekly Cleaning Checklist</p> <p>Supervisor Inspection Form</p>	Yes

	<p>the Daily and Weekly COVID-19 Checklists and Work Plans</p> <p>Increase ventilation rates from occupied (OCC) hours only to 24/7 operation.</p> <p>Increase Outside Air% (OA) to up to 40%</p> <p>Install new filters throughout district HVAC systems</p>	<p>the Daily and Weekly COVID-19 Checklists and Work Plans</p> <p>Increase ventilation rates from occupied (OCC) Hours Only to 24/7 Operation</p> <p>Increase Outside Air% (OA) to up to 40%</p> <p>Install new filters throughout district HVAC systems</p>			
<p>Other cleaning, sanitizing, disinfecting, and ventilation practices</p>	<p>Regular use of Clorox Total 360 electrostatic sprayer to disinfect common spaces.</p> <p>Classrooms and common areas will be ventilated with additional circulation of outdoor air when possible, using windows, doors, and/or fans.</p>	<p>Regular use of Clorox Total 360 electrostatic sprayer to disinfect common spaces.</p> <p>Classrooms and common areas will be ventilated with additional circulation of outdoor air when possible, using windows, doors, and/or fans.</p>	<p>Glenn Zimmerman, Supervisor of Buildings &amp; Grounds</p>		

# Social Distancing and Other Safety Protocols

## Key Questions

- How will classrooms/learning spaces be organized to mitigate spread?
- How will you group students with staff to limit the number of individuals who come into contact with each other throughout the school day?
- What policies and procedures will govern use of other communal spaces within the school building?
- How will you utilize outdoor space to help meet social distancing needs?
- What hygiene routines will be implemented throughout the school day?
- How will you adjust student transportation to meet social distancing requirements?
- What visitor and volunteer policies will you implement to mitigate spread?
- Will any of these social distancing and other safety protocols differ based on age and/or grade ranges?
- Which stakeholders will be trained on social distancing and other safety protocols? When and how will the training be provided? How will preparedness to implement as a result of the training be measured?

## Summary of Responses to Key Questions:

Requirements	Action Steps under Yellow Phase (Moderate/Substantial Transmission)	Action Steps under Green Phase (Low Transmission)	Lead Individual and Position	Materials, Resources, and or Supports Needed	PD Required (Y/N)
* Classroom/ learning space occupancy that allows for 6 feet of separation among students and staff throughout the day, to the maximum extent feasible	<p>Schedules should be as static as possible by having the same group of students with the same group of staff based on age and developmental level.</p> <p>Restrict interactions between groups of students.</p> <p>Staggered schedule to limit the number of individuals in a classroom or other space.</p> <p>Limit gatherings, events and extracurricular</p>	<p>Schedules should be as static as possible by having the same group of students with the same group of staff based on age and developmental level.</p> <p>Restrict interactions between groups of students</p> <p>Limit the number of individuals in a classroom or other space to the extent possible to allow for 6 feet of separation.</p>	Building Administrators	Building Level Schedule	Yes

	<p>activities to those that can maintain social distancing, as directed by PA DOH.</p> <p>Hold classes in gyms, auditoriums, other large spaces, or outdoors when possible.</p> <p>Turn desks facing the same direction or have students only sit on one side of the table, spaced apart.</p> <p>Consider upholstered furnishings, etc.</p>	<p>Limit gatherings, events and extracurricular activities to those that can maintain social distancing, as directed by PA DOH.</p> <p>Hold classes in gyms, auditoriums, other large spaces, or outdoors when possible.</p> <p>Turn desks facing the same direction or have students only sit on one side of the table, spaced apart.</p> <p>Consider upholstered furnishings, etc.</p>			
<p>* Restricting the use of cafeterias and other congregate settings, and serving meals in alternate settings such as classrooms</p>	<p>Where appropriate, student meals may be delivered to classrooms or alternate settings for consumption.</p> <p>Students will be encouraged to use hand sanitizer, provided at stations within the cafeterias and/or classroom, prior to consuming food or beverages.</p> <p>Parents/guardians will be encouraged to pack student lunches.</p> <p>Parents /guardians will be encouraged to deposit funds using the on-line payment portal, avoiding the handling of cash and checks in the cafeterias.</p> <p>Meal condiments will be limited, pre-packaged and</p>	<p>Where appropriate, student meals may be delivered to classrooms or alternate settings for consumption.</p> <p>Students will be encouraged to use hand sanitizer, provided at stations within the cafeterias and/or classroom, prior to consuming food or beverages.</p> <p>Parents/guardians will be encouraged to pack student lunches.</p> <p>Parents /guardians will be encouraged to deposit funds using the on-line payment portal, avoiding the handling of cash and checks in the cafeterias.</p> <p>Meal condiments will be limited, pre-packaged,</p>	<p>Building Administrators</p> <p>Jackie McMichael, Director of Food Services</p> <p>Glenn Zimmerman, Supervisor of Buildings &amp; Grounds</p>	N/A	No

	<p>provided to students with their meals</p> <p>Students will not be permitted to serve themselves items such as beverages, fruit and or vegetable selections. Staff will serve students all meal components. Selection of beverages, fruits and vegetables will be limited.</p> <p>Student dining areas and cafeteria serving areas will be cleaned and disinfected between lunch periods.</p> <p>Consider use of alternate spaces for meals to include auditorium, gymnasium, and outdoor space.</p>	<p>and provided to students with their meals</p> <p>Students will not be permitted to serve themselves items such as beverages, fruit and or vegetable selections. # Monitoring Student and Staff Health

## Key Questions

- How will you monitor students, staff and others who interact with each other to ensure they are healthy and not exhibiting signs of illness?
- Where will the monitoring take place?
- When and how frequently will the monitoring take place?
- What is the policy for quarantine or isolation if a staff, student, or other member of the school community becomes ill or has been exposed to an individual confirmed positive for COVID-19? What conditions will a staff or student confirmed to have COVID-19 need to meet to safely return to school? Which staff will be responsible for making decisions regarding quarantine or isolation requirements of staff or students?
- When and how will families be notified of confirmed staff or student illness or exposure and resulting changes to the local Health and Safety Plan?
- Which stakeholders will be trained on protocols for monitoring student and staff health? When and how will the training be provided? How will preparedness to implement as a result of the training be measured?

## Summary of Responses to Key Questions:

Requirements	Action Steps under Yellow Phase (Moderate/Substantial Transmission)	Action Steps under Green Phase (Low Transmission)	Lead Individual and Position	Materials, Resources, and or Supports Needed	PD Required (Y/N)
* Monitoring students and staff for symptoms and history of exposure	<p>Symptom and exposure screening will be done at home by parent/guardian on a daily basis using the <a href="#">STSD COVID-19 At Home Symptom Monitoring Tool</a>.</p> <p>No children with symptoms or exposure will be sent on a bus or brought to school.</p> <p>Clear expectations will be provided to parents/guardians on what symptoms to screen for and what is considered an exposure.</p>	<p>Symptom and exposure screening will be done at home by parent/guardian on a daily basis using the <a href="#">STSD COVID-19 At Home Symptom Monitoring Tool</a>.</p> <p>No students with symptoms or exposure will be sent on a bus or brought to school.</p> <p>Clear expectations will be provided to parents/guardians on what symptoms to screen for and what is considered an exposure.</p>	<p>Jennifer Halfond, Nursing Department Coordinator</p> <p>Takia Colston-Krow, Safety &amp; Security Coordinator</p>	<p>Self-Monitoring and Reporting Procedures and Forms</p> <p>Staff training</p> <p>Parent and Community education and communications</p>	Yes

	<p>District staff will perform daily self-monitoring for symptoms and exposure at home on a daily basis.</p> <p>No staff with symptoms or exposure will arrive to work.</p> <p>Clear expectations will be provided to staff on what <a href="#">symptoms to screen</a> for and what is considered an exposure.</p> <p>Staff will be required to submit the <a href="#">Staff Self-Reporting Form</a> if they develop symptoms, been advised by a health care provider to isolate, received a positive test, had an exposure or traveled to an area where there are high amounts of COVID-19 (per <a href="#">PA DOH Travel Order</a>).</p> <p>Parents/guardians are encouraged to submit the <a href="#">Student COVID-19 Reporting Form</a> if their student has been advised by a health care provider to isolate, received a positive test, had an exposure or traveled to an area where there are high amounts of COVID-19 (per <a href="#">PA DOH Travel Order</a>).</p> <p>Temperature screening will not be required upon entrance to school for students or staff.</p>	<p>District staff will perform daily self-monitoring for symptoms and exposure at home on a daily basis.</p> <p>No staff with symptoms or exposure will arrive to work.</p> <p>Clear expectations will be provided to staff on what <a href="#">symptoms to screen</a> for and what is considered an exposure.</p> <p>Staff will be required to submit the <a href="#">Staff Self-Reporting Form</a> if they develop symptoms, been advised by a health care provider to isolate, received a positive test, had an exposure or traveled to an area where there are high amounts of COVID-19 (per <a href="#">PA DOH Travel Order</a>).</p> <p>Parents/guardians are encouraged to submit a <a href="#">Student COVID-19 Reporting Form</a> if their student has been advised by a health care provider to isolate, received a positive test, had an exposure or traveled to an area where there are high amounts of COVID-19 (per <a href="#">PA DOH Travel Order</a>).</p> <p>Temperature screening will not be required upon entrance to school for students or staff.</p>

## Other Considerations for Students and Staff

### Key Questions

- How will you determine which staff are willing/able to return? How will you accommodate staff who are unable or uncomfortable to return?
- How will you determine which students are willing/able to return? How will you accommodate students who are unable or uncomfortable to return?
- What is the local policy/procedure regarding face coverings for staff? What is the policy/procedure for students?
- What special protocols will you implement to protect students and staff at higher risk for severe illness?
- How will you address staff who are ill, or who have family members who have become ill?
- How will you ensure enough substitute teachers are prepared in the event of staff illness?
- How will the LEA strategically deploy instructional and non-instructional staff to ensure all students have access to quality learning opportunities, as well as supports for social emotional wellness at school and at home?

### Summary of Responses to Key Questions:

Requirements	Action Steps under Yellow Phase (Moderate/Substantial Transmission)	Action Steps under Green Phase (Low Transmission)	Lead Individual and Position	Materials, Resources, and or Supports Needed	PD Required (Y/N)

## Health and Safety Plan Professional Development

The success of your plan for a healthy and safe reopening requires all stakeholders to be prepared with the necessary knowledge and skills to implement the plan as intended. For each item that requires professional development, document the following components of your professional learning plan.

- **Topic:** List the content on which the professional development will focus.
- **Audience:** List the stakeholder group(s) who will participate in the professional learning activity.
- **Lead Person and Position:** List the person or organization that will provide the professional learning.
- **Session Format:** List the strategy/format that will be utilized to facilitate participant learning.
- **Materials, Resources, and or Supports Needed:** List any materials, resources, or support required to implement the requirement.

Topic	Audience	Lead Person and Position	Session Format	Materials, Resources, and or Supports Needed
<b>Cleaning, sanitizing, disinfecting, and ventilating learning spaces, surfaces, and any other areas used by students</b>	Custodial Staff  Buildings & Grounds Staff  Food Services Staff	Barry Seilhamer, Director of Maintenance & Operations	In-person trainings w/ handouts and digital resources  Ongoing training via Comply	CDC Guidance for Cleaning and Disinfecting Schools  Safety Data Sheet (SDS)
<b>Clorox Total 360 Electrostatic Sprayer</b>	Custodial Staff  Buildings & Grounds Staff	Barry Seilhamer, Director of Buildings & Grounds	In-person trainings w/ handouts	Company provided instruction manual
<b>Classroom/ learning space occupancy that allows for 6 feet of separation among students and staff throughout the day, to the maximum extent feasible</b>	Professional Staff	Takia Colston-Krow, Safety & Security Coordinator  Building Administrators	In-person trainings w/ handouts and digital resources  Ongoing training via Comply	CDC Guidance for Reopening Schools  Building floor plans for maximum occupancy
<b>Healthy Hygiene Practices</b>	All Staff	Jennifer Halfond, Nursing	In-person trainings w/	CDC Guidance for Healthy Hygiene Practices

<b>COVID 19 Health Care Procedures for Nurses</b>	All Nurses	Jennifer Halfond, Nursing Department Coordinator	In Person Training	District Physicians

## Health and Safety Plan Communications

Timely and effective family and caregiver communication about health and safety protocols and schedules will be critical. Schools should be particularly mindful that frequent communications are accessible in non-English languages and to all caregivers (this is particularly important for children residing with grandparents or other kin or foster caregivers). Additionally, LEAs should establish and maintain ongoing communication with local and state authorities to determine current mitigation levels in your community.

Topic	Audience	Lead Person and Position	Mode of Communications
<b>2020-2021 District Instructional Options</b>	Staff Guardians Community	Tamara Willis, Superintendent	Video Surveys (2) Parent Forums (4) Township Presentation
