## COVID-19 At Home Symptom Monitoring Tool

**If students or staff have any of the following symptoms below, they **MUST** stay home and contact a health care provider for further instructions.**

1. Have a temperature of 100.4 or greater	Yes	No
2. Have taken any medicine to treat or reduce a fever	Yes	No
3. Have any of the symptoms pictured below.	Yes	No

**Remember, if ANY of the answers are YES, the student or staff member **MUST** stay home.**

Students and staff members may not return until ALL of the following have been met:

- A health care provider has advised that they DO NOT need to obtain a COVID-19 test or isolate due to symptoms
- AND**
- They have been symptom free for at least 24 hours without the use of medication.

(please see back for what to do if a student or staff member has COVID-19 or is exposed to someone with COVID-19)

## Testing Positive or Having an Exposure

Students and staff members must also stay home in the following situations:

1. Student or staff member has received a positive COVID-19 test or has been told to isolate due to symptoms;
2. Student or staff member has been exposed to someone who has COVID-19;
3. Student or staff member has traveled outside of the state and it is recommended or ordered that they quarantine for 14 days upon return.

Parents/guardians should complete and submit the ***Student Reporting Form*** located on the district website and await further instructions from a health care provider, public health worker, or school district staff member prior to returning to school. Upon receipt of the ***Student Reporting Form***, a member of the District Pandemic Response Team will contact parents/guardians for further instructions.

Staff members should complete and submit the ***Staff Self-Reporting Form*** located on the district website and await further instructions from a health care provider, public health worker, or school district staff member prior to returning to school. Upon receipt of the ***Staff Self-Reporting Form***, a member of the District Pandemic Response team will contact staff members with further instructions.
